CHOICEAMERICA™

| Travel medical insurance for non-U.S. citizens and non-U.S. permanent residents traveling to the United States, Mexico, or Canada.

YOUR NO. 1 CHOICE

International travel can quickly turn into a frightening situation if you're not prepared for a medical emergency. Most travelers assume they will be covered by their standard medical plan, but that isn't always the case. While traditional plans may offer adequate domestic coverage, they are not designed for international travel. Without even realizing it, you may be putting your health at risk.

Don't let your medical coverage be an uncertainty. Travel with ChoiceAmerica™ so you can spend more time enjoying your international experience and less time worrying about medical coverage.

Designed with the needs and budget considerations of international travelers in mind, ChoiceAmerica™ offers short-term medical coverage for non-U.S. citizens traveling to North America, including the United States, Mexico and Canada. The plan is designed to provide benefits you may require during your travels at an affordable and competitive cost. It is a limited coverage plan that provides benefits up to a maximum amount for each type of service or treatment. Be sure to review the plan benefits and limits of coverage in the Certificate of Insurance, which is available upon request. Contact VisitorsCoverage if you need any help understanding the coverage of this plan, and to ensure ChoiceAmerica™ is right for you.

A PARTNERSHIP OF EXCELLENCE

VisitorsCoverage® has partnered with International Medical Group® (IMG®) to bring you world-class benefits backed by unparalleled services. IMG, a leading administrator of international insurance products, has developed a reputation of excellence in the industry. Serving millions of members in almost every country, IMG is committed to being there for its international clients, wherever life takes them.

ELIGIBILITY AND COUNTRY RESTRICTIONS

The following conditions (among others) apply to all persons applying for and/or enrolling in the ChoiceAmerica™ plan:

- ChoiceAmerica™ is travel medical insurance for non-U.S. citizens and non-U.S. permanent residents traveling to the United States, Mexico, or Canada.
- To qualify for coverage you must not be a citizen or permanent resident of the host country you are traveling to (the United States, Mexico, or Canada).

INTERNATIONAL TRAVEL TIME COVERAGE

ChoiceAmerica™ provides coverage during international travel time as long as the dates of travel are included on your declaration page. Coverage begins as soon as you are outside of your home country.

COVERAGE DATES

You will choose the certificate's start date and end date during the application process. The start date can be as early as the day after your purchase. The plan will cover a period of 5 days up to a maximum period of 12 continuous months. The certificate will begin on the selected start date at 12:01 a.m. EST and will end on the selected end date at 12:01 a.m. EST.

EXTENSION

Your ChoiceAmerica™ policy may be extended in increments with minimum of five (5) days up to the maximum coverage period of 12 continuous months. If applicable, certificate can be extended online. Each extension is subject to a \$5 extension fee.

CANCELLATION AND REFUND

If you are not pleased with your ChoiceAmerica™ coverage for any reason, you may submit a written request to International Medical Group® (IMG®) prior to your start date, for cancellation and full refund of your premium. After the certificate's start date, you may submit a written request for cancellation as long as no claims have been submitted, but the following conditions will apply: 1) You will be required to pay a \$20 cancellation fee and 2) You will receive a refund of the premium amount covering time periods after cancellation. If you or a service provider have filed claims, your premium is non-refundable.

DOCTORS AND HOSPITALS

ChoiceAmerica™ is part of the First Health PPO network. When going to the doctor, hospital, or urgent care facility, show your ID card and state that the policy is a travel medical insurance policy that belongs to the First Health PPO network. **Depending on the billing process of the facility you go to, you may be required to make a payment, for which you can file a claim.**

BILLING

Depending upon the medical facility you choose, you may be required to pay for your medical expenses up-front. If this occurs, you should request reimbursement of your expenses subject to your plan benefits by submitting a claim form to International Medical Group® (IMG®). Please note, however, that this is a claim reimbursement policy, which means that even if the facility does not require you to make an up-front payment and instead bills IMG directly, you will still be required to submit a claim form.

CLAIM FILING PROCESS

To file a claim, complete the paper claim form available at visitorscoverage.com or imglobal.com and mail it to: Claims Department, International Medical Group, PO Box 9162, Farmington Hills, MI, 48333-9162, USA, or use IMG's MyIMG member portal at myimg.imglobal.com to submit it electronically. Along with the claim form, you must provide supporting documents, including copies of any bills, receipts, and all stamped pages of your passport. Additional documentation may be needed, in which case IMG will contact you to request it. Claims must be presented to IMG for payment within 60 days from the date the claim was incurred.

CLAIMS PAYMENTS

Upon approval, the claims will be paid by check to the insured's mailing address. Direct reimbursements can be wired to an international bank account upon request.

PRECERTIFICATION

Each proposed hospital admission, inpatient or outpatient surgery, or other procedures as noted in the Certificate of Insurance must be precertified for medical necessity. This means you or your attending medical practitioner must communicate with an IMG representative at the number listed on the IMG ID card prior to admission to a hospital, performance of a surgery or other procedures.

In case of an emergency admission, the precertification call must be made within 48 hours of admission, or as soon as reasonably possible. If a hospital admission, a surgery or

anything else requiring precertification is not precertified, eligible claims and expenses will be reduced by 50 percent.

It is important to note that precertification is only a determination of medical necessity, not an assurance of coverage, verification of benefits, or a guarantee of payment. All medical expenses eligible for reimbursement must be for medically necessary care and will be paid or reimbursed at usual, reasonable, and customary rates. Please refer to the Certificate of Insurance as defined for full details of the precertification requirements. You must follow precertification instructions carefully. Failure to do so may invalidate your claim, or in certain circumstances, result in a loss or reduction of coverage.

Note: *You may begin the precertification process through MyIMG. You will be asked to provide the required information, which can then be submitted electronically to IMG. Once we have confirmed receipt of your request, we will review the information provided and respond to you or the provider. Please note that this online service will only initiate the precertification process, and it should not be used to precertify emergency admissions, procedures, or evacuations.*

PRE-EXISTING CONDITIONS

Pre-existing conditions are not covered by most travel medical insurance plans, including ChoiceAmerica, due to the short-term nature of the plans. However, **ChoiceAmerica™ offers an optional pre-existing condition rider**, which provides limited and basic coverage for eligible pre-existing conditions that existed at or prior to the effective date. Pre-existing conditions are any medical conditions that you have had before the certificate effective date. This coverage can be added at the time of enrollment for a qualifying application. It is important to review the coverage available under this rider. A complete description of benefits is available in the Certificate of Insurance, which is available upon request from your agent or from IMG. Please note that all diagnoses are determined by the attending physician.

PASSPORT AND TRAVEL DOCUMENT LOSS

You are reimbursed expenses for replacing a lost or stolen passport or travel document up to \$100 as long as you provide proper proof of loss, including a police report.
